RE: REQUEST FOR WAIVER / WC Docket N^o. 06-122
Form 499 Filer ID # 828720

To whom it may concern:

We recently received Invoice UBDI0000489813 (copy enclosed) from USAC in the amount of \$7,500.00. This invoice was issued for Late Filing Sanctions. I am writing to you to formally request penalty abatement.

We understand that you probably receive requests frequently to abate penalties or correspondence seeking other concessions. We trust the merits of our specific request and hope that our self-reporting is a meaningful consideration for the Secretary.

On March 24, 2011 Simply Bits LLC filed its first Form 499-A for Calendar Year 2010 with the Federal Communication Commission. Shortly thereafter, on April 18, 2011, the Company filed the Form 499-A Telecommunication Reporting Worksheet for Calendar year 2009, 2008, and 2007. No FCC inquiries or enforcement actions preceded our filings - we voluntary self-reported.

I began working for Simply Bits mid-year 2008 and shortly thereafter made the decision to relocate with my family to Tucson to work with the Company. Almost immediately after starting, I began preparing a comprehensive business analysis and enterprise risk assessment. While believing that this effort was rigorous, it is interesting to note that FCC regulatory compliance did not make the list at that time. I did make inquiries and was informed that the Company was filing semi-annual reports with the FCC on Form 477. I confirmed that this was the case. Upon further inquiry with the owners, I was informed that the Company had no other reporting obligations. I did not independently verify these representations at that time.
